

SAU41

The School Administrative Unit (SAU) 41 provides administrative leadership, student services, human resources, technology, and facilities management to the six schools within the Hollis School District (pre-K-6), Brookline School District (pre-k-6), and the Hollis-Brookline Cooperative School District (grades 7-12).

Each district has its own governance, a 5-person school board for Hollis and Brookline, and a seven-member COOP Board (4 Hollis, 3 Brookline). All members of the three boards are members of the SAU-Governing board.
